

ICCBM 2022

SANYA, CHINA | JANUARY 21-24, 2022

THE 6TH INTERNATIONAL CONFERENCE ON CIVIL AND BUILDING MATERIALS

The 6th International Conference on Civil and Building Materials (ICCBM 2022) is to be held in Sanya, China, during January 21-24, 2022, as the workshop of The 12th International Conference on Advanced Materials Research (ICAMR 2022).

The conference is co-organized by Science and Engineering Institute, USA, Swinburne University of Technology, Australia, Alfaisal University, Saudi Arabia, Ghent University Global Campus, South Korea, The University of Tokyo, Japan etc.

Publications

The manuscripts will undergo the normal peer-review process and it is expected that the accepted papers will be published by **conference proceedings of Key Engineering Materials. (ISSN: 1662-9795)**, which is indexed by **EI Compindex, Scopus**, Thomson Reuters (WoS), Inspec, et al.

The Past Conference Proceedings have both get published and indexed by **EI/Scopus successfully**. For more details you can visit: <http://www.iccbm.org/ICCBM%202021.html>

Conference Committees

Conference Chairs

Assed Haddad, Universidade Federal do Rio de Janeiro, Brazil
João C. G. Lanzinha, University of Beira Interior, Portugal

Program Chairs

Lei Wang, Northeastern University, China
Weimin Wang, Shandong University, China
Alfred A.Christy, University of Agder, Norway (Top 2% Ranking of Scientists in the world)

Poster Chair

Teik-Cheng Lim, Singapore University of Social Sciences, Singapore

Publicity Chairs

Takahiro Ohashi, Kokushikan University, Japan
Boqiong Li, Jinzhong University, China
Osman Adiguzel, Firat University, Turkey
Manish Kewalramani, Abu Dhabi University, UAE...

CALL FOR PAPERS

We encourage original submissions related to, but not limited to, the following advanced energy materials based system topics:

- Structures and Civil Engineering;
- Structural Engineering;
- Bridge Engineering;
- Geotechnical Engineering;
- Geological Engineering;
- Tunnel, Subway and Underground Facilities;
- Seismic Engineering;
- Road and Railway Engineering;
- Transportation Engineering;
- Hydraulic Engineering;
- Coastal Engineering;

For More Please Visit: <http://www.iccbm.org/cfp.html>

Submission Methods

- Send your manuscript directly to conference official email: iccbm@sciei.org
- Submit your paper through Electronic system: <http://confsys.iconf.org/submission/iccbm2022>

Contact

Ms. Amber Lin
