ICCBM 2023

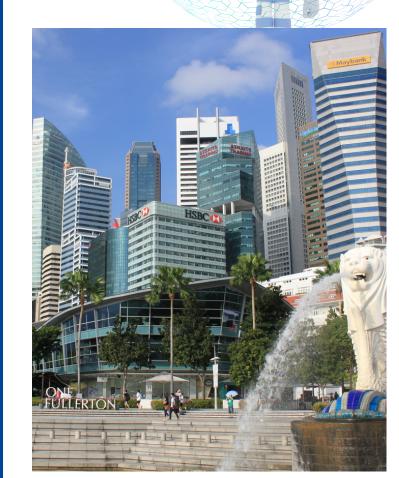

The 7th International Conference on Civil

and Building Materials

第七届国际民用建筑材料会议

The 7th International Conference on Civil and Building Materials (ICCBM 2023) is to be held in Singapore. The conference is co-organized by Science and Engineering Institute, USA, Swinburne University of Technology, Australia, Alfaisal University, Saudi Arabia, Ghent University Global Campus, South Korea, The University of Tokyo, Japan etc.

ICCMB 2023 aims to bring together researchers and practitioners from academia and industry to discuss latest progress and development in these fields. It would be the international platform for knowledge sharing as well as creating favorable atmosphere for collaboration initiations. This event will include contributions by renowned plenary and invited speakers, oral presentations, posters sessions and technical exhibition that relate to the topics dealt with in the Scientific Program.

Singapore 新加坡

Conference Committees

Conference Chairs

Assed Haddad, Universidade Federal do Rio de Janeiro, Brazil

João C. G. Lanzinha, University of Beira Interior, Portugal **Program Chairs**

Alfred A.Christy, University of Agder, Norway Lei Wang, Northeastern University, China **Publicity Chairs**

Takahiro Ohashi, Kokushikan University, Japan Bogiong Li, Jinzhong University, China Osman Adiguzel, Firat University, Turkey Manish Kewalramani, Abu Dhabi University, UAE

Poster Chair Teik-Cheng Lim, Singapore University of Social Sciences, Singapore

Publication

Submitted papers will be peer-reviewed by the technical program committees. Accepted and presented papers in ICCBM 2023 will be published by International Journal of Structural and Civil Engineering Research (IJSCER)

Keynote Speakers

Prof. Alan Lau Swinburne University of Technology, Australia (Fellow of EAS&EASA, H-Index 67)

Prof. Zhongfan Liu Peking University, China (Academician)

Prof. Wing Kam Liu Northwestern University, USA Director of Global Center on Advanced Material Systems and Simulation, USA (Fellow of ASME, ASCE, USACM, AAM, and IACM, H-Index 114)

Important Dates

Submission Due: September 20, 2022 Notification Due: October 10, 2022 Registration Deadline: October 25, 2022

Topics of Interests

- High-rise Buildings and Large-span **Structures**
- Bridge and Tunnel Engineering
- Newer Structures and Special Structures
- Geotechnical Engineering
- Municipal Engineering
- Hydraulic and Hydro-Power Engineering
- Civil Engineering Materials
- **Architectural Theories**
- Architectural History
- Sustainable Architecture
- Computers in Architecture
- Individual Buildings and Building Types
- **Town Planning**
- **Environment and Technology**
- Energy Conservation More topics please visit: http://iccbm.org/cfp.html
